

STATEMENT OF VALUES AND SCHOOL PHILOSOPHY

Saltwater P-9 College aims to build a school culture that demonstrates a strong belief in and a commitment to providing a rich and rigorous curriculum within a safe, secure and enriched learning environment for our children. We will have a clear focus on catering for the diverse range of students at their point of need. We will strive to be internationally minded, and provide a supportive, nurturing and challenging learning environment, with high expectations for student success.

The school's values will be aligned with the Department of Education's philosophy: 'We support students to reach their potential, regardless of their background, postcode or circumstance, and to develop the knowledge, skills and attributes they need to participate and thrive in a complex economy and society'.

The Community at Saltwater P-9 College will live by this set of values, where an understanding and respect of all cultures and beliefs will be an essential characteristic of productive and compassionate citizens of the third millennium.

This will be underpinned by our school motto: 'Wisdom Begins with Wonder.'

Another major feature of our school's curriculum will also be around the establishment of an exclusive Performing Arts and Sporting Program which will foster students intellectual, social and physical development.
