

# MOBILE PHONES – STUDENT USE POLICY

---

## PURPOSE

To explain to our school community the Department's and Saltwater P-9 College's policy requirements and expectations relating to students using mobile phones and other personal mobile devices, such as smartwatches, during school hours.

## SCOPE

This policy applies to:

1. All students at Saltwater P-9 College and,
2. Students' personal mobile phones and other personal mobile devices, such as smartwatches, brought onto school premises during school hours, including recess and lunchtime.

## DEFINITIONS

**A mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, 'mobile phone' refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smartwatches.

## POLICY

Saltwater P-9 College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Saltwater P-9 College:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should contact their child by calling the school's office, not their child's phone.

### Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Saltwater P-9 College during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

## Secure storage

Mobile phones owned by students at Saltwater P-9 College are considered valuable items and are brought to school at the owner’s (student’s or parent/carer’s) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Saltwater P-9 College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Saltwater P-9 College will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Saltwater P-9 College students are required to hand over their phones to their teachers who will store their phones in a lockable filing cabinet within a lockable teacher’s office. Classrooms are also expected to be locked at recess and lunch breaks.
