wisdom begins with wonder

25 November 2025

Dear Parent/Guardian,

Saltwater P-9 College is looking forward to another great year of teaching and learning and would like to advise you of Saltwater College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfill the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Please find the voluntary contributions schedules for Prep – Year 9 attached.

Saltwater P-9 College makes every effort to keep contributions for items and activities to a minimum and affordable for all parents.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

We thank you for your support and look forward to seeing you all in 2026.

Please note that Office National / Paperchase has advised that the price of the backpacks will increase if orders are not received by Sunday 7th December 2025.

ELECTRONIC DEVICES (OPTIONAL)

Saltwater P-9 College operates as a one-to-one device school. Apple iPads are used in Prep to Year 3, and Apple MacBook Airs are used in Years 4 to Year 9. These devices are an integral part of our curriculum and are used to enhance student learning. Devices can be purchased through JB Hi-Fi, or families may bring their own Apple device to be loaded with the school's application image.

Portal Link: <https://byod.jbhifi.education>

School Code: Saltwater2026

Please note: This is not a compulsory item. The school has classroom devices available for students who do not have their own. These devices will be shared within the classroom and must remain on school premises.

IMPORTANT UPDATE – BYOD CHANGES FROM 2027

From 2027, the Department of Education will no longer permit primary schools (Prep to Grade 6) to invite families to provide their own digital devices (iPads/laptops). Schools will instead be required to supply class sets of devices, with new recommended screen-time limits also coming into effect. Our school will continue with our current BYOD program until then, while ensuring it aligns with the Department's guidelines. Further information will be shared with families in 2026 detailing what the screen-time limits will look like for each year level from the 2027 school year and beyond.

PLEASE REFER TO QUESTION & ANSWER DOCUMENT REGARDING CHANGES TO BOYD PROGRAM WITHIN THIS DOCUMENT.

EXTRA-CURRICULAR ITEMS AND ACTIVITIES – PROVIDED ON A USER-PAYS BASIS

Saltwater P-9 College offers a range of optional items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides to deliver the Curriculum.

The cost of extra-curricular items and activities will be advised throughout the year.

Extra-Curricular Items and Activities	Amount
Excursions & Incursions	TBA IN 2026
Camps and swimming*	TBA IN 2026
School Photographs	TBA IN 2026
Total Extra-Curricular Items and Activities	TBA IN 2026

** The swimming program offered at Saltwater exceeds standard curriculum requirements. It is partially subsidised by the school, and final costs for families will be communicated once funding is confirmed and allocations across year levels are finalised. The portion funded by the school will be outlined in the information provided to families about their child/children's swimming program..*

REFUNDS

Saltwater P-9 College believes that the Camps, Excursion and Incursion program is highly beneficial for students and provides opportunities for particular learning experiences that cannot be gained in the classroom. Saltwater College encourages all students to participate in these activities. There will be occasions when a student needs to withdraw from an activity after they have made payment.

Please refer to the Refund Policy on the school's website www.saltwatercollege.vic.edu.au to view the guidelines on receiving a refund, alternatively, you can phone the administration office on 03 8366 7700 for further clarification.

Q&A – CHANGES TO BOYD 2027

Q. Is it worth purchasing a device now if the BYOD program ends in 2027?

A. No. From 2027, schools will provide devices for all students, so there's no need to purchase a new one now.

Q. What are the new screen-time limits, and how will they affect my child's learning?

A. Our updated approach focuses on *balanced* technology use. Screen-time will be purposefully integrated to enhance learning, with more emphasis on hands-on, collaborative, and outdoor activities. Specific classroom guidelines will be shared as part of our digital wellbeing framework.

Q: What are the new recommended digital device usage times for schools starting in 2027?

A: From 2027, schools should follow new guidelines that recommend minimal device time for students in Prep to Year 3, and a maximum of 90 minutes per day for students in Years 4 to 6.

Q: Which devices will students use under these new guidelines?

A: Prep - Year 6: iPad Year 7 – Year 9: MacBooks

Q: Will school-provided devices be sufficient for all students after 2027?

A: Yes. From 2027 onwards, the school will provide devices to ensure student have access to technology that supports their learning needs, when required.

Q. Can we still use our own device after 2027, or will it be banned?

A: After 2027, the school-provided devices will be the standard for all students. Personally owned devices will not be permitted for learning activities at school.

Q: How will the school manage shared devices to ensure hygiene and fairness?

A: Any shared use of devices will be cleaned regularly, and fair access procedures will be in place.

Q. What happens if we don't purchase a device now? Will my child miss out on learning opportunities?

A. Your child will not miss out. We will ensure that we have enough devices to support student learning.

Q. When and how will we receive more information about the 2027 changes?

A. We'll provide regular updates through newsletters, parent information sessions, and the school website. A detailed communication outlining the transition timeline and logistics will be shared in 2026.

Q: Can my child keep using their iPad instead of purchasing a new MacBook Air for Year 4?

A: Yes.
